

Call for projects – criteria (2021)

Projects will be assessed at two levels:

- Institutional level
- Project level

There are two types of criteria at each level:

- **Deal-breakers** – These are compulsory criteria: if the organisation or project does not fulfil these, the project will be rejected.
- **Weighted** – These criteria will be used to assess the relative value of the project and enable us to rank it overall.

The funding provided by the UEFA Foundation for Children is not predetermined, but it must be proportional to the size of the project. Co-funding is encouraged.
